

Weekly Highlights

- Water Bottles – No Juice, just Water please.
- Face Masks to be worn by all parents/older siblings whilst dropping off or collecting.

Date: Friday 23rd April 2021

Now the weather is changing:

Hopefully now that the weather is changing, can we please ask for your child to always have a named water bottle in school. The children have plenty of opportunities to refill their bottles throughout the day, as every classroom has its own water fountain in it.

Can your child also bring a 'Named' hat/cap into school every day.

Sunscreen – please can you put sunscreen on at home before school as the staff are not permitted to do this. With the weather being a lot nicer now, we will be having more time outside on the school field.

School Uniform & PE Kits – we are finding more and more jumpers/cardigans/sports jackets being left by the children, but we can not return these items to the rightful owners as there are no names inside of them. Can we please ask you all to label or write your child's name on the label so that we can reunite with the correct child, as we appreciate that you spend a lot of money on their uniforms.

Plants:

Year 1 and Year 3 are planting/gardening this term. If you have any seeds or plants and you are happy to donate, then we would be very happy to take them off your hands to brighten up the school grounds.

May Bank Holiday:

Don't forget that May Bank Holiday is Monday 3rd May 2021

Next Week:

Next week our Head Boy Jack and Head Girl Martha will be welcoming into school Mr John Wiltshire. Mr Wiltshire is involved with a local charity in Acton & his charity have kindly approached the school with a £500.00 donation. Jack & Martha will be talking to Mr Wiltshire about the plans for the outside Prayer Area we wish to establish.

- **This Weeks 'Shout Outs' to children**

Reception class: - Toby & Magiesha
