## World Mental Health Day

This year for World Mental Health Day on Friday 9<sup>th</sup> October, we will be taking part in their “Hello Yellow” campaign. This is run by Young Minds, which supports children & young people’s mental health. So, on Friday, we are inviting the children to come to school wearing Yellow for a donation of £1 – which we will be donating to Young Minds. Whether you choose a subtle splash of colour or all over sunshine (Non-Uniform day) – we will be showing young people that they are not alone with their mental health.

We do hope that you can support us in raising awareness now more than ever.

## Y1 Science Classes

In Year 1 this year, as part of our Science, we are studying seasonal change. We are currently looking at the changes that Autumn brings & trying to collect any evidence of Autumn we see/find. The children can send in any photos of Autumnal evidence they find to the class email & we will display them in our class. Mrs Rogers.

## Lost Property and Labelling

Can we please stress the importance of either labelling or writing their initials on the tags in your childrens PE kit or school uniform. We know the cost of uniform but we have already had uniform that we can not give back to the correct child as there is no name tag/label attached.

## Year Groups News:

### Parking outside of school

We would like to “THANK” all parents for not parking outside of school. This has made it a lot easier & safer for the staggered drop off and collection times.

- **School Times for different Year Groups**

As you are all aware, the school day is a little different than last year. If you have more than 1 child in school, could you please drop off both/all at the earliest Year Group time slot

Year 5 & Year 3 – start at 8.45am finish 3.30pm
