

Weekly Highlights

- Water Bottles – No Juice, just Water please.
- Face Masks to be worn by all parents/older siblings whilst dropping off or collecting.

Date: Friday 30th April 2021

Now the weather is changing:

Hopefully now that the weather is changing, can we please ask for your child to always have a named water bottle in school. The children have plenty of opportunities to refill their bottles throughout the day, as every classroom has its own water fountain in it.

Can your child also bring a 'Named' hat/cap into school every day.

Sunscreen – please can you put sunscreen on at home before school as the staff are not permitted to do this. With the weather being a lot nicer now, we will be having more time outside on the school field.

School Uniform & PE Kits – we are finding more and more jumpers/cardigans/sports jackets being left by the children, but we can not return these items to the rightful owners as there are no names inside of them. Can we please ask you all to label or write your child's name on the label so that we can reunite with the correct child, as we appreciate that you spend a lot of money on their uniforms.

Plants:

Year 1 and Year 3 have been planting/gardening this week with the kind donation from Morrisons Supermarket. We have also been given 25 potted Russian Giant Sunflowers from Harry's Grandmother in Year 2 and Frankie's Mum in the Reception Class kindly donated some beautiful bedding flowers. Mrs McKinlay has challenged all classes and the ACE club to see which class can grow the tallest Sunflowers. We are very grateful for all your kind donations to brighten up the school grounds.

May Bank Holiday: Don't forget that Monday is a May Bank Holiday, so we will see you all on Tuesday next week!

Next Week:

Friday 7th May it's NSPCC Number Day, were we will be reinforcing the work from Tuesday's Speak Out Stay Safe NSPCC Day, by taking part in some number day activities in class – created by the NSPCC themselves.
